

Querido Patrick,

Te deseo feliz cumpleaños y aprovecho para hacerte llegar mi compromiso por tu pronta liberación.

Ya verás como más pronto que tarde saldrás de la cárcel y podrás reencontrarte con tus amigos y tu familia.

Estoy contigo totalmente y contra la injusticia que representa tu encarcelamiento.

Ten ánimo y esperanza.

Dear Patrick,

I wish you happy birthday and I take the chance to send you my feeling of compromise for your prompt liberation.

You'll see how sooner than later you will be freed and will get together with your friends and family.

I am with you totally and against the injustice that represents your imprisonment.

Keep positive and hopeful.
